

T.K. Tidbits

This Past Week:

This past week, we met Mr. I. As a class, we came up with 17 words that started with the letter I. In science, we are talking about how animals come in a variety of shapes and sizes. In math, we learned how to use a ruler to measure. Mr. I has inches all over his body, so we talked about what inches are and how 12 inches make a foot. We partnered up to measure things around the classroom, and then shared our measurements with the class.

Coming Up:

Next week, I will be gone. Students will meet their new Letter Person. In reading, students will be working on the sounds they hear in three letter

words. In science, they will discuss how some animals live in water part time and on land part time.

Sharing Next Week:

Since I will be gone next week, I will give the students another free choice for sharing, but they should be prepared to tell us what they brought and why they chose to bring it.

Book Orders:

Reminder, December book orders are due on December, 12th!

Snacks:

Reminder, we are running low on snack. If you haven't brought two more boxes of crackers, please try to do so in the next couple weeks.

Odds and Ends: Next week, there will not be a newsletter since I will be gone. I will send a short note home early in the week. Also, I have started a class website. Please check it out. Here you will find newsletters, calendars, blogs, and helpful links. (<http://rvraptors.com/beckert/>)
