

# T.K. Tidbits

## This Past Week:

This past week, we met Mr. O. Mr. O is a Letter Light (vowel). We discussed how Mr. O has two sounds, his short o sound and his same name (long o) sound. We came up with 27 letters that start with O. We also talked about/sounded out three letter words that have O in the middle. We completed both the M page and N page in our handwriting books. We are making a lot of progress with reciting the months and the days of the weeks.

## Coming Up:

Next week, we will meet our new Letter Person. With this Letter Person, we will discuss Earth. We will discuss what Earth is, how it is our

home, what Earth does to make a year, a day, and we will discuss some of the characteristics Earth has that other planets do not. We will talk about how those characteristics make it so we can live on Earth as well.

## Sharing Next Week:

We have a very busy week next week with two birthday parties and Valentine's Day. On top of that, we do not have school on Friday. Due to the hectic week, we will not have sharing next week.

## Additional Notes:

Just a reminder, we have our Valentine's Day party on the 14<sup>th</sup>. I have attached a class list for students that would like to send valentines for the class.
