

T.K. Tidbits

This Past Week:

This past week, we met Mr. R. We came up with 45 words that started with the letter R. In math, we did a lot of work with the number 100. We celebrated our 100th day of school (see our website for pictures) on Thursday. We counted to 100 by 5s, 10s, and 100s. Wednesday we talked about Groundhog Day. On Thursday, before we started our 100th day celebration, we watched the clip of Puxatony Phil. Many of us were disappointed when we found out Phil predicted there would be 6 more weeks of spring!

Coming Up:

Next week, we will meet our new Letter Person. Our new letter person

is going to dig deeper into seasons, so we will come back to that subject and talk more about each season. We will also work on Letter M in our handwriting books.

Sharing Next Week:

Students should bring something that that's their favorite color (if they remember, choose something different than what they brought last time we did favorite colors).

Additional Notes:

Please note, I am only available Monday, February 13th for conferences. I will not be meeting on Thursday. Please fill out the sheet for what time works best Monday. I know some of you bring students to school in the morning. I am willing to meet with you before school one day if you would prefer to do that. Please email me or send a note if that's works better.
