

# T.K. Tidbits

## This Past Week:

This past week, we met Mr. C. We came up with 69 words that start with the letter C. We learned that letter C has two different sounds, and can be kind of tricky because it shares one sound with K and the other sound with S. We discussed how people can be different (different eyes, hair, skin, likes, dislikes, personalities, etc.) and that is completely okay. We talked about how all of us are very different, but we still are such great friends. They did very well with this! In math, we worked on matching numbers with pictures of that number.

## Coming Up:

Next week, we will meet our new

Letter Person. With this Letter Person, we will discuss how people live in different houses, cities, states, and countries. We will start continue to work on matching numbers to pictures and working on one to one counting (pushing objects as we count them).

## Sharing Next Week:

Next week, students should bring something that reminds them of their home, town, state, or country.

**Thank you so much to those of you that brought snack this week. If you haven't brought snack and are able to bring some, we will still need some more to last us through the remainder of the year. Thank you so much! Have a great weekend!**
