

Mitchell's Message

November 2016

From the teacher's desk:

Thank you to all of you who were able to attend parent teacher conferences. I enjoyed talking with each of you. If you have any questions, please be sure to call me anytime.

Important Dates:

Nov. 23rd - No School-

Professional Development

Nov. 24th & 25th-No School-

Thanksgiving break

Social Studies-We've been studying the differences between needs and wants. It's interesting to hear what the students feel are **NEEDS!** 😊 We will be talking about the colonies and pilgrims through the month of November.

Keep reading, reading, reading at home. A good trick is have your child play "teacher" and have them read to you and then they can ask you about what they read.

Home Connection:

I know we have been spoiled for nice weather for most of October but please make sure your child is bringing the appropriate clothes for recess.

A touch of class...

Reading-We read a story called Farfallina and Marcel. This story was a fantasy so we talk about what all makes a story fantasy.

We are working with contractions and synonyms. Have your student tell you some synonym pairs! Keep reading **AR** books at home!

Math-We are working with counting money. Please keep practicing money at home. Also keep working on those math facts.

Place value is going to be huge in the next month. We will be working on values up to the thousands place.
